

IN *LAS VEGAS*, GETTING THERE—AND GETTING around—can be half the fun. There's no denying that high end travelers desire luxurious and exclusive—yet convenient—modes of transportation. There's no more exclusive way to arrive into Las Vegas than by private jet, with many providers offering luxury flight service into and out of *McCarran Airport's Executive Air Terminal*. Ground transportation for the discriminating

traveler is also abundant in Las Vegas, and can range from private car or limousine service to exotic car rentals. Here is “The Ultimate Las Vegas Insider” *Steven Striker’s* guide to luxury Las Vegas “movers and shakers”—those transportation options that set elite travelers apart in the world’s most exciting city to traverse. **Private jets:** saving time is the real luxury when planning your ultimate Las Vegas vacation or business trip. High profile celebrities, rock stars, busy executives and other A-listers charter private jets to arrive into Las Vegas pampered, relaxed and refreshed. From “On Demand” service to “Scheduled Departures,” you remain in control of the flight schedule, as well as the in-flight service amenities that can range from sushi, to caviar from the Caspian, to therapeutic massages...and everything in between. Whenever the mood for a Vegas VIP experience strikes, a Challenger, Falcon, Hawker or Gulfstream is at your disposal. **Helicopters:** flying into or around Las Vegas can be just as convenient and exciting. Private helicopter service is available by private carrier to take you virtually anywhere in and around Las Vegas and surrounding areas, whether it is to the Grand Canyon, Lake Mead, or the beautiful *Cascata* golf course, located 75 miles outside the city. ECO-Star helicopters can transport up to six comfortably. In March each year, the famous NASCAR races rev-up at the Las Vegas Motor Speedway and there is no better way to beat the bumper-to-bumper traffic and arrive in style than via helicopter. **Exotic Cars:** sexy car rentals are available for an over-the-top personal driving experience. You can rent everything from a Ferrari F430 to a Lamborghini Gallardo. Choose a Porsche, Corvette, or Maserati for a proper cruise down and around the Las Vegas strip. You can also partake in a VIP guided exotic car road rally down the Vegas strip to the Red Rock Mountains to Lake Las Vegas and back, or simply rent the luxury rides for your own personal use. **Stretch Limousines, Hummers and Silver Bullets:** for a luxury experience that offers a stress-free variety of choices, consider a fully loaded and well stocked specialty stretch or Hummer limousine that can seat up to twenty. An elegant Escalade limousine or town car sedan can chauffeur you wherever you want to go, day and night. **Private Chauffeured Luxury Rides:** for a touch of class, treat yourself, associates, friends or family to the ultimate luxury ride—a chauffeur driven Rolls Royce Phantom, Bentley Silver Spur or Mercedes S600. Take a leisurely excursion out to Mt. Charleston and back. And with your winnings, visit *Lamborghini Las Vegas* or the *Wynn Penske Ferrari and Maserati* dealership, located inside The Wynn Resorts, to drive your dream machine home. “The Ultimate Las Vegas Insider” Steven Striker is the Founder and CEO of Striker VIP, Inc., a five-star Las Vegas host, concierge and event service provider that creates unforgettable luxury Las Vegas experiences.
